Fall Rendezvous Roundup

Scenes from this season's rendezvous in Canada, Southern California, Maine, and the Mediterranean.

Many of the most popular boating regions in the world are supported by an active Grand Banks owner's group. From Seattle to Singapore, the Gulf Coast to the French Riviera, Grand Banks Owners Associations support the GB lifestyle by hosting annual rendezvous. Each rendezvous is different, combining boating activities, seminars, contests, and social events that are unique to each region. If you haven't been to a rendezvous lately, or want to experience one for the first time, visit www.grandbanks.com/rendezvous for a calendar of these annual events.
