

For Immediate Release

STAN MILLER YACHTS, CABO YACHTS AND HATTERAS YACHTS CELEBRATE THEIR 6th ANNUAL OWNERS TOURNAMENT.

Newport Beach, CA (August 15, 2008) – Stan Miller Yachts, Cabo Yachts and Hatteras Yachts are pleased to announce that this year's Annual Cabo Hatteras Owners Tournament was another huge success! The tournament drew an impressive 31 boats ranging from the CABO 31' Express to the impressive HATTERAS 60' Convertible. The fishing was phenomenal this year and there were very few boats that weren't in the running for the largest Tuna/Albacore, Dorado, Yellowtail, Broadbill and special Released Marlin categories. In addition there were prizes for the top Junior and Lady Anglers and an overall award for the Top Boat. The three day event began at Basin Marine with a Friday evening "kick-off" party for team members, family and friends and Lines-in began immediately after.

Saturday was devoted to fishing, with a roll call in the morning and raffle drawings for prizes throughout the day. Boats scattered wide and far from the Butterfly Bank to the 499 off the West End of Catalina. There were two marlin released on the 499 - one by Paul Arentsen on the 35 CABO "Blue Chip" and one by Jerome Dahan on the new 54 HATTERAS "MVP". Boats fishing the Butterfly and Mexican waters found mixed bags of Albacore, Bluefin, and Yellowfin Tuna as well as Dorado and Yellowtail. Some of the highlights were the Junior anglers on the 35 CABO "Dos Gatos" catching their first Tuna and the 54# Yellowfin caught aboard the 47 CABO "Rosie". Boats fishing the inside did well on a smaller grade of Tuna and Dorado as well! Saturday evening approximately 20 of the teams anchored in Whites Cove where Cummins Cal Pacific and Stan Miller Yachts had the 94' Eagle/Westport "SAFARI" at anchor and a skiff available to pick up anglers and bring them aboard for a fantastic cocktail party and Mexican Feast hosted by Dan Bell of Seacoast Marine Finance.

Sunday was a shorter fishing day due to the requirement to have weigh slips back to the officials by 5PM and most boats hit the kelp paddies on the inside for another day of Yellowtail and Dorado along with a few marlin sightings.

A total of 46 fish were weighed in for the weekend with Yellowfin being the most caught overall. Weight slips were delivered to Basin Marine by 5:00pm where cocktails and appetizers were served with dinner and awards following.

All in all, the tournament was one of the best yet, with the biggest turnout since it began 6 years ago. As stated by Karl Kempainen, Vice President of Sales for Hatteras and Cabo Yachts, it was the most enjoyable and beautiful fishing conditions he's ever witnessed. "From the kickoff dinner, to the phenomenal food and camaraderie this tournament was second to none! I have been to many major tournaments throughout the world and this one, with its organization, participation and spectacular weather stands head and shoulders above anything that I have been privileged to attend. It was a pleasure to be involved and I would like to congratulate John & Brad Buettner,

Nikki Delgado and the crew at Stan Miller Yachts for putting together what is unarguably the finest fishing tournament that Hatteras and Cabo has ever participated in, not to mention how wonderful it was to see all our proud Cabo and Hatteras owners enjoying the friendships, fishing and festivities”

Top results for the Cabo Hatteras Challenge 2008 were as follows:

Albacore/Tuna

1st Place

Angler: Kyle Henderson - 54 lb Albacore aboard Cabo 47 Flybridge “ROSIE”, owner Don Henderson
